

Department of Administrative Services (DAS) Division of Fleet and Surplus Services (DFSS) Website Navigation Guide

Fleet.Utah.gov

Center Block Section

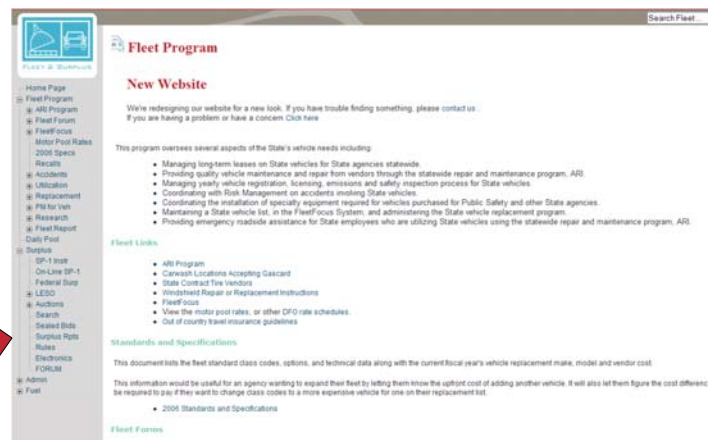

Includes all Division of Fleet and Surplus Service Programs

Select 1 of the 6 program icons from the Center Block Section

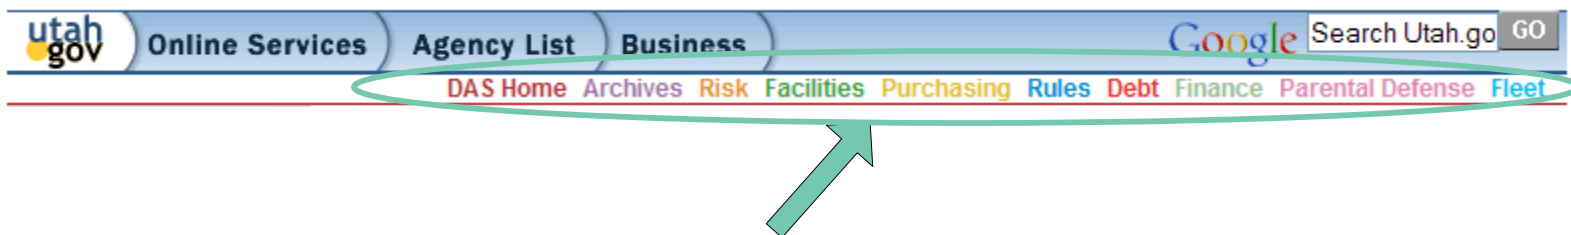

If the information or link you are searching for is not present in the center section of the page please view the left side navigational tool

For further detail regarding the program use the plus sign to expand menu and the minus sign to shrink menu

Search functions and access to the other DAS sites is available on the right and top side of our home page.

The 'Search Utah.gov' function will accommodate a search of all Utah.gov pages
Utah.gov pages can be accessed to the top left, and other DAS divisional sites below.

Fleet.Utah.gov has custom built pages requiring considerable amounts of programming, therefore, some of the old pages could continue to be used. We will phase them out as quickly as possible.

Please do not be alarmed.

Reports

Below are links for various fleet-related reports. A large number of the reports/information on our website is in Adobe Acrobat format (documents with a .pdf file extension). This format can be read by the [FREE Acrobat Reader software](#) for use on your computer. There are also versions of [Acrobat Reader that can be loaded on your PDA](#) (Palm OS, Symbian OS & Pocket PC) so you can carry fleet information such as [fueling locations](#), [CNG fueling locations](#), etc. with you as you travel.

Fleet Secured Reports

Fleet Operations now offers several real-time reports that require the use of your FleetFocus System logon. If you need a logon ID, [click here](#).
